HOW DO I TAKE BRIVIACT?

- Brivact can be taken with or without food.
- Depending on your dose/formulation, you may take Brivact up to two times a day.
- Brivact tablets CAN NOT be crushed or split
- Brivact solution should be used within 5 months of opening the bottle.

WHY DO YOU NEED REGULAR BLOOD LEVELS?

Brivact does not require a medication blood level check. However, while on this medication your Liver enzymes as Brivact may alter these levels.

WHAT OVER THE COUNTER MEDICATIONS SHOULD I AVOID WITH BRIVIACT?

- There are no medications that should be avoided with Brivact

IS BRIVIACT ADDICTIVE?

No. Brivact does not have addictive properties. However, suddenly stopping this medication without consulting your doctor can lead to seizures. Tapering off of Brivact is simple, but is done so gradually to prevent rebound seizures.

I'M PREGNANT, IS IT SAFE TO TAKE BRIVIACT?

There is not enough evidence on whether or not Brivact is safe during pregnancy. If you believe you are pregnant or are trying to get pregnant, contact our office. **DO NOT STOP taking your Brivact suddenly. CONTACT our office to discuss your options and treatment.**
